Mr. Benjamin Mandel
Research Director
Internal Security Subcommittee
United States Senate
Washington 25, D. C.

Dear Mr. Mandel:

Reference is made to our letters of 30 October and 19 November 1956, transmitting pre-publication copies of compilations of data on certain International Communist front organizations and Communist friendship societies.

Attached is one pre-publication copy of the compilation of data on the Women's International Democratic Federation (WIDF).

We invite your attention to the characterization of these compilations as to sources, given in the third paragraph of our letter of 30 October, and to the restrictions placed on the use of the material, as treated in the fourth paragraph of our letter of 30 October and in the last paragraph of our letter of 19 November 1956.

Mats for printed copies of all of these compilations of data are nearing completion. When the reproduction of printed copies is completed, same will be forwarded to you.

Sincerely,

Norman S. Paul
Legislative Counsel
